

BAND BOOSTERS ASSOCIATION OF WEST BLOOMFIELD

Website: wbbands.info

Good Day,

The Band Boosters Association of West Bloomfield is a 501(c)(3) nonprofit organization which exists to support the band programs in the West Bloomfield School District. These programs need private funding to provide instruments, special instruction and competition-level opportunities. One way we raise funds is our annual silent auction which will be held on Tuesday, March 11, 2014.

We are asking businesses around West Bloomfield to donate either merchandise or gift cards to the Band Boosters Association to help raise the funds to continue to support our students. Not only would this help out a wonderful program, but it will also get your business name out into the public. If you are interested in donating anything to us, please contact the person listed below to make arrangements.

Thank you,

Band Boosters Association of West Bloomfield
