Dear Parents,

Welcome to another wonderful year! We are so happy that your child has chosen to pursue the arts, and are even more thrilled that they have chosen to be a part of the West Bloomfield Bands. As you may already know, the WB Bands have a tradition of excellence in participation, decorum, and performance. We take pride in the fact that our students achieve at an outstanding musical level, and look forward to teaching your children as we guide them to new heights of personal and musical achievement. Please reference the calendar in this syllabus for upcoming performances. A more detailed calendar can be found on our website, wbbands.info. We look forward to a great year with all of you!

Yours in music,

Course Outline and Objectives

Throughout their time in the West Bloomfield Band Department, students will advance their:

- 1.) Musical Development
- 2.) Music Appreciation
- 3.) Musical Language

Through these points of growth students will develop a “Music Learning Community”, a safe environment centered on positive learning, musical growth, and respect towards their peers, instruments, facilities, music and teachers.

Grading

The West Bloomfield Bands grading system operates on a points system as listed below:

- Concert and Rehearsal Attendance and Etiquette:** 100 points/event
- Weekly Participation:** 10 points/week
- Playing and Written Quizzes:** 30 points/quiz
- Homework:** Points assigned based on assignment
- Final Exam (high school only):** 10% of total semester points

Weekly participation points are given on an “elevator” scale. Every student begins the week with all 10 points, and through their own behavior points are either maintained or taken away. Point deduction will occur on a case by case basis and at the discretion of the director(s).

Examples of behaviors that can result in point loss:

- Lack of materials (pencil, music, instrument)
- Distracting behavior
- Lack of respect for facilities, instruments, etc

Concert and Rehearsal Attendance and Etiquette: Every student is expected and required to attend all scheduled rehearsals and concerts during the school year. All unavoidable conflicts must be communicated by a parent to the director(s) ***no later than 2 weeks before the schedule conflict.***

Band Expectations

Be Your Best

Be Your Best is a goal that everyone can achieve. This is not the same as “Be the Best” which is something that few can achieve. It is all that is expected of you, but it is expected all of the time - every minute, every practice, every day and every performance. Further, it is expected that you will Be Your Best outside of organized band activities, as well as in rehearsals and performances.

Show Respect

Respect yourself. Respect others. Respect the band facilities, equipment, instruments, and uniforms.

Be Prepared

Band members are responsible for doing their best, working on their individual skills, and practicing. All materials must be brought to class every day.

Be on Time

In order to be prepared to start our rehearsal promptly, students should arrive to the room *before* the rehearsal is scheduled to begin in order to be ready to start on time.
